

Counting by 2's
All through the school
(To the Tune of "The Wheels on the Bus")
by Beth Crumpler

Counting by 2's goes like this

2, 4, 6, 8

10, 12, 14

16, 18, 22, 24, 26

All through the school

Now we count on just like this

28, 30, 32

34, 36, 38,

40, 42

All through the school

We keep counting here we go

44, 46, 48,

50, 52, 54

56, 58

All through the school

We're not done yet, more to go

60, 62, 64,

66, 68, 70

72, 74

All through school

On and on we count by two's

76, 78, 80,

82, 84, 86

88, 90

All through school

Almost done we count on,

92, 94, 96,

98, 100,

We've made it to

All through the school

We count by 2's.
